

Power SaverTM Program *Saving Energy Together*

Commercial Rebates

DATA CENTER EFFICIENCY PROGRAM Massive Array Idle Disk (M.A.I.D) Storage Systems

All projects shall comply with the General Qualifications/Guidelines to qualify for a rebate. Please refer to the General Qualifications/Guidelines document for further details.

QUALIFICATIONS/GUIDELINES

1. The rebate application must be submitted before the new unit(s) is installed. It must be accompanied by the manufacturer's rating information.
2. A pre-inspection with an Austin Energy representative is required, as necessary, prior to removal. Existing systems to be removed must be connected and operational.
3. Multiple application sheets can be attached for additional equipment information.
4. Rebate is available for new and replacement equipment.
5. Invoices and equipment specifications may be requested by AE to accompany rebate application.

The Austin Energy guidelines and rebate levels are subject to change at any time, without notice.
